## RESPONSE TO SEPTEMBER 29, 2005 RESTRICTION REQUIREMENT

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

Applicants respectfully respond to the September 29, 2005 Restriction Requirement as follows:

The Applicants make the following provisional elections:

- a motion sensor selected from: (a) a 3-axis accelerometer;
- a motion sensor mounted on one of: (b) a handle of a firearm;
- an indicator selected from one of: (a) a light;
- the equipment selected from one of: (a) a firearm.

Applicants believe that the provisionally elected species falls within each of pending claims 1-2, 4, 7-11, 13, 17-23, 25, 26, and 28-29. Accordingly, Applicants provisionally elect these claims. As the Examiner noted, Applicants reserve the right to seek consideration of claims to additional species upon the allowance of a generic claim.

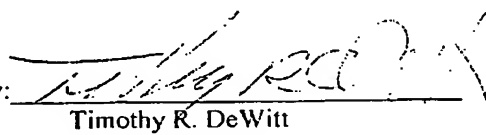

Applicants note that upon reviewing the claims, an error was discovered in claim 10. Accordingly, Applicants are concurrently submitting a Preliminary Amendment deleting unnecessary language from claim 10.

The Commissioner is hereby authorized to charge any fee deficiency, or credit any overpayment, to our Deposit Account No. 50-2837
